

A Guide to Understanding the Fundamental Concepts of Governance for Scrum Alliance, Inc.

INTRODUCTION

This document describes the requirements and expectations of the Board of Directors of Scrum Alliance, made up of members appointed by the Board itself and members elected by the membership at large. Responsibilities and expectations apply equally to all Directors. In addition, this document includes a description of responsibilities unique to the Board and the Chief Executive Officer, as well as a visual representation of the areas of overlap. **If, at any time, this guide conflicts with the Bylaws, the Bylaws shall prevail. Capitalized terms used but not defined herein shall have the meaning given to them in the Bylaws.**

Scrum Alliance is a nonprofit professional membership and certification organization in the Agile community dedicated to transforming the world of work. Our vision is to guide and inspire individuals, leaders, and organizations with practices, principles, and values that create workplaces that are joyful, prosperous, and sustainable.

BOARD COMPOSITION AND TERMS

The Board is made up of a minimum of 9 and a maximum of 12 members. Of these:

- At least 5, but no more than 8, are appointed by the Board (referred to as “Board Elected Directors,” or “BED”).
- Three are elected by the membership of the organization (referred to as “SCM Directors” — SCM standing for “Scrum Certified Members”).
- One is the CEO.

All Directors are voting members of the Board, including the CEO. Each Director must report to the Audit and Finance Committee any material conflict of interest. In accordance with Article 8 of the Bylaws, the Board has the authority and responsibility to determine whether a conflict of interest exists with respect to any Director.

A quorum of the Board consists of a majority of Directors then in office. Except as otherwise provided in the Bylaws, in the Articles of Incorporation, or by law, no business shall be considered by the Board at any meeting at which a quorum is not present.

The Term of each Director begins on January 1 following the date on which the incoming Director is elected. No Director shall serve for more than two consecutive three-year terms, though individuals may be again appointed as a Director after a break in service of at least one year. Board terms are staggered to provide continuity. The Board shall have the authority to take whatever action is necessary to implement and preserve the system of staggered terms, including, but not limited to, the authority to set the initial term of any Director to one, two, or three years.

The officers, including the CEO, shall be elected by the Board. The Chair and Vice-Chair must be current Directors. The Secretary, Treasurer, Assistant Secretary, Assistant Treasurer, and individuals filling such other offices as the Board may from time to time create are not required to be Directors.

DIRECTOR INDEPENDENCE

In accordance with the Bylaws, a majority of the Directors of the Board and all of its Committees must be Independent Directors (as that term is defined in the Bylaws). An Independent Director shall be a Director who:

- Has been determined to be independent by the Nominating Committee in accordance with the Bylaws; and
- Does not satisfy any of the situations described in Section 3.16(A) through Section 3.16(J).

CONFLICT OF INTEREST

Scrum Alliance remains committed to the highest levels of ethics and integrity in Board governance. Each Board member is required to read and acknowledge understanding by signing the Scrum Alliance Conflict of Interest Policy.

Any Director, officer, or member of a committee with Board-delegated powers who has a direct or indirect Financial Interest or has an Immediate Family Member or Affiliate who has a direct or indirect Financial Interest is required to disclose the appropriate information to the Audit and Finance Committee, and the Board has the authority to determine whether a conflict exists.

TIME COMMITMENT

(a) Minimum Commitment

The Board is expected to meet at least four times annually and as many additional times as necessary to effectively carry out the Board's duties.

Number of hours for Directors: 280–300 hours per year

Number of additional hours for Board Chair: 200 hours per year

(b) Committee Work

Each Committee is governed by a Committee Charter that dictates the number of required meetings per year.

Number of hours for Committee Chair: 100 hours per year

I. Board Committees

The Board maintains committees to provide necessary governance, as listed below. Needs and composition of both the Board and Committees for the upcoming year are discussed during the last Board meeting of the current year to ensure that important needs of the organization and Board will be met.

Chairs govern the activities of their respective committees, which consist of the following:

- Executive Committee
- Human Resources and Compensation Committee
- Nominating Committee
- Audit and Finance Committee

COMPENSATION AND REIMBURSEMENT

Directors may be compensated for their services so long as such compensation is reasonable.

Directors will be reimbursed for expenses related to Board Meeting travel and for any expenses related to any Scrum Alliance-sponsored event (Global and Regional Gatherings, Coaching Retreats, and other similar events), provided that all expenses are recorded and submitted per the Director Expense Policy.
