

## Scrum Experience

Certified Scrum Trainers are expected to have extensive hands-on experience implementing Scrum inside organizations as a ScrumMaster, product owner, or team member.

Using the format below, clearly identify **ALL** of your relevant experience in the three Scrum roles. Please do NOT include time spent training, coaching or mentoring. Please copy and paste the table below as necessary to fully document your hands-on experience.

<b>Role*</b> (SM, PO or team member?)	<b>Organization</b>	<b>Dates</b>	<b>Months in Role</b>
<b>Key Learning</b> (Provide a detailed narrative of what you learned.)
